Rejoicing With A Great Leader

Chief Bisi Akande @

73

Nothing is as inspiring, satisfying and encouraging as relating with a courageous, unassuming, intelligent and altruistic father and leader.

Of all other crowns of life with which you are blessed by nature, these uncommon virtues that eloquently characterize your exciting personality have continued to endear you to all your admirers and followers. Moreso to our great party, the Action Congress of Nigeria (ACN), which is on redemptive mission in our beleaguered country, Nigeria.

Sir, this is the basic difference between you and other great and like minds and w'll continue to identify

with you undeterred.

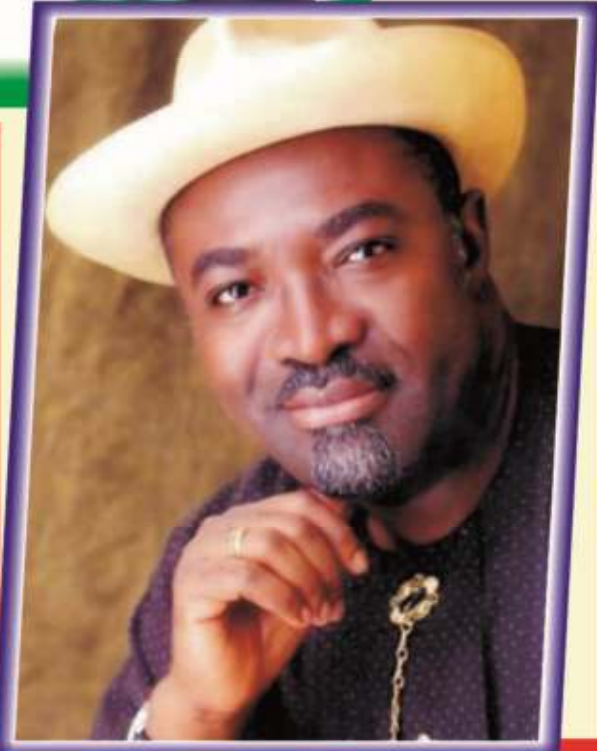

You have by your consistency and firm belief in democratic principles and ideals proved that the final test of a leader is that he leaves behind him in other men the conviction and the will to carry on.

As you celebrate your eventful **73rd Birthday Anniversary**, we wish to congratulate you, praying that God will continue to guard, strengthen and bless you with many more years for greater service to our fatherland and humanity.

Happy Birthday!

Signed:

Dr Abiye Sekibo
Leader, ACN, Rivers State
